News from your Chapter Regent . . .

How much fun do you want to have in October? You have to look no farther that the activities of the Job Winslow Chapter NSDAR! Can you help clean a highway on M-37 S or help plant milkweed plants along the Traverse Area Recreational Trail? Conservation is thriving here!

Have you wondered what to do with the DNA information that you were provided with after a DNA test? We have an expert in the field coming to talk at a workshop on October 14.

Can anything be more fun than a costume party with our very own DAR “Dazzling Daughters” coming to life at the October 21 chapter meeting? You can even become a “Dazzling Daughter” with a costume and bio.

We are having fun but working hard too!

ADOPT-A-HIGHWAY, OCTOBER 1

We will have a highway cleanup of M-37 S, between Blair Townhall Rd and Hilltop Rd. Meet at Menard’s Parking Lot, Sunday at 3:45 pm. Then, we will carpool to our Adopt-A-Highway site. Bring gloves and a water bottle.

DAY OF SERVICE, OCTOBER 11

Our Day of Service is a Conservation project to benefit monarch butterfly populations. We are planting milkweed seeds along the Traverse Area Recreational Trail (TART) behind Don’s Drive-In, US 31 at Four Mile Rd, October 11 at 11 am. Bring your garden gloves, a hoe and some milkweed seeds if you have collected some. Pam Kirt has collected many milkweed pods and will instruct us on how to plant them. Be ready for lots of fun dealing with fly-away seeds with parachutes. There is a rumor that milkshakes at Don’s Drive-In are readily available.
The following officers were installed at the May meeting of the Job Winslow Chapter. The officers will be in office for a two-year term.

Board Meetings are the 2nd Thursday of the month (October 12) at the Elks Lodge at 11:30 am.

HINDMAN SETTLEMENT SCHOOL – NEW PROJECT!

Our Chapter has chosen to support the Hindman Settlement School this year as our DAR Schools Project. The Hindman Settlement School is a vibrant beacon for progressive learning, community enrichment, and cultural exploration in the Central Appalachian region. At Hindman Settlement School, they provide practical courses, programs, and services designed to inspire collaboration and improve the lives of the people in their community. They bring inspirational, life-changing educational services to children with dyslexia and their parents, and they develop and manage community service programs customized to meet the region’s growing demands and challenges. They also promote cultural awareness through arts programs specially designed to build on the area’s rich cultural heritage.

Hindman Settlement School was the first rural social settlement school established in America, and they are currently the most successful. Established in 1902 by May Stone and Katherine Pettit in Hindman, Kentucky, their school soon became a model center for education, healthcare, and social services.

In fact, they have often been called “the best school in the mountains,” and take that honor very seriously by continuing to contribute significantly to regional progress. Hindman Settlement School has played a vital role in preserving and promoting the literary and cultural heritage of southeastern Kentucky and Central Appalachia. They believe in their community and their commitment to providing education and service. While their mission has remained the same since Hindman Settlement School was founded over a century ago, their programs are constantly improving and developing to meet the changing needs of the region.

At Hindman Settlement School, they believe in honoring the past, improving the present, and planning for the bright and colorful future of Central Appalachia. We know that through proper education, stewardship, and support, the people of our community can help our region thrive.

Our Chapter has specially chosen to raise funds for the Dyslexia Program. Specially, The Hindman Settlement School is in need of four (4) LCD Projectors at the cost of $400 each. We are hopeful that we are able to raise funds to meet at least part of this need. You can make donations via our Chapter or contact our Chapter DAR School Chair, Shenandoah Chefalo at (231) 499-8973 or shen@chefalolaw.com

DAR LITERACY PROMOTION COMMITTEE

The Literacy Promotion Committee is active in the Job Winslow Chapter!

Robert Norris Fields and Suzann Lanstra are starting to gather information about literacy promotion in Michigan. As a beginning, the committee is gathering information about how to best focus on the three areas of emphasis from the National DAR Literacy Promotion Committee. Areas of Emphasis:

- Honor our Spirit of Partnership with others in our area who work to promote literacy.
- Focus on Future Readers in an individual or chapter effort.
- Celebrate the DAR’s Commitment to Literacy Promotion by publicizing the widespread problem of illiteracy and the importance of literacy at all ages.

If you are interested in working on this committee contact Tina or Suzann.

YEARBOOK UPDATES (2017-2018)

Freda Parker (Associate Member) passed away this past year.

Kayla Peabody Eggemeyer’s name is misspelled in the new directory.

Heather Pineda’s phone number is 917-617-4901.
**PROJECT PATRIOT**

Teresa Cecere  
Bagram Airbase, Afghanistan

“I am stationed at Bagram Airbase where different forces are. I am a SSG - Staff sergeant (E-6) going to be a SFC - Sergeant First Class (E-7) soon since I just became promotable.”

She works in Admin but also does some missions outside the base every so often to support her EOD unit. She has served for 12 plus years, and says “It’s not so bad here, I have had worse in Iraq twice. The only problem besides the expensive Internet, is the very tiny shop for military that carries almost nothing.”

She is the only female in her unit and would love to receive LETTERS.  
“I am quite old myself about 49 now and going through menopause since I got here. How lucky. 😥 So pads and tampons no more but panty liners I still use every day.”

I like the smell of vanilla and light flowers if that helps, any face lotion (against wrinkles), shampoo, body wash is fine (her favorite of course is Bath & Bodyworks lotion, but not picky, likes Nivea also). Face masks (to get out the desert sand & revitalize) I have very short white blond hair, well the white is really my grey. I do color my hair; extra light ash blond (any brand), hair color.

I love coffee and everything with coffee taste. Jerky meat is good, since the long shelf life. Not much for a peanut butter fan.

Candy- Gummy bears

Potato chips: plain Kettle type, and PRETZELS, especially loves big Bavarian pretzels types.

I like nuts (all kinds)

Ramen Noodles (especially in the cups)

Cereal: Captain Crunch, etc.

Caramel breakfast bar & Granola bars with fruit & nuts

Pandora Italian bread (type of Christmas Cake-Panettone) and any German and Italian food/snacks.

She cannot use nail polish, and only very light makeup.

Books and movies are good because I work 12 hours a day, plus go to the gym daily. That leaves me with very little time to watch a bit of a movie/episode on my small laptop or read a couple of pages before crashing. Gift card for Kindle books, is nice too.

She likes variety: KOREAN DRAMA, SCARY MOVIES, INDUSTRIAL/GOTH MUSIC, THRILLER, HORROR, SUPERNATURAL, ROMANCE BOOKS.

Submitted by Kathy Wilson, Chair of Project Patriot.

**Milkweed Taping**

The collection of milkweed seeds begins with taping or using a rubber band to keep the milkweed pod closed as it ripens. Careful monitoring of the pod is essential. When the pod dries up and begins to crack, the pod is ripe. Pick the pod and put the dried pod into a paper sack for storage until you can plant the seeds. We will plant the seeds on October 11, 11 am (see the article on the Day of Service).

Submitted by Linda Zikewich, Conservation Chair.

**MICHIGAN CHAPTER REGENTS**

Michigan Chapter Regents were photographed at the Michigan State Conference, Dearborn Inn, Dearborn, Michigan. Ann Dillon, DAR President General is shown in the center of the first row with Michigan State Regent, Dianne Schrift on Mrs. Dillon’s right.

Our October 21, 2017 meeting is a costume event that celebrates the lives of DAR “Dazzling Daughters” who had diverse accomplishments in their fields. “The DAR from the outset have included uncommon women who achieved uncommon goals. They include some of the following: Jane Adams, social worker (1860-1935); Jeannette Ridlon Piccard, balloonist & NASA Consultant (1895-1981); Lillian Gish, actress (1893-1993); Margaret Chase Smith, politician (1897-1995); Marjorie Merriweather Post, philanthropist (1887-1973); Margaret Rhea Seddon, astronaut, (b. 1947); Janet Reno, former Attorney General, (b 1947); Laura Bush, First Lady, (b. 1938).

Our special hostess for our meeting…the first President General of the NSDAR, Caroline Scott Harrison, wife of the president, Benjamin Harrison! What fun and educational for our membership!
